“Build a Bench” Project

Over the summer, a very generous "benefactor" reconstructed the men's waiting room center bench. The addition of this bench had an immediate impact on the look of the waiting room and the Depot itself. Impressed with the results and the fabulous craftsmanship, the Orchard Park Depot Committee would now like to have the ladies waiting room center bench constructed. In order for this to happen, the Committee is starting a fundraiser for the \$2500 needed for the bench's construction.

Any amount of donation will be gratefully appreciated. The Society is fully qualified non-profit organization with the IRS so your donation is fully Tax Deductable. If you would like to contribute to this project, a check made out to the "WNYRHS" may be sent to:
